Our departure day was another bluebird-sunny day, and although it was sad for the holiday to be ending, the memories burn brightly and we know we'll be back! It is a perfect venue for families (with entirely separate family spa, pool and children's facilities), a romantic retreat for couples, an ideal destination spa for mothers and daughters or a girlfriends trip—and let's not forget that great outdoors that beckons the sports enthusiasts with two downhill ski resorts within 15 minutes, cross-country skiing, and snowshoeing! But it's not just about winter... Schloss Elmau is open year-round, and the wildflowers in spring are rumored to be as sensational as the hiking during the summer. ■
